**ROANOKE VALLEY RESOURCE AUTHORITY  
1020 HOLLINS ROAD, NE  
ROANOKE, VIRGINIA 24012  
OCTOBER 22, 2025  
12:00 P.M.**

### **I. OPENING CEREMONIES**

- A. Call to Order
- B. Roll Call
- C. Welcome Guests
- D. Requests to Postpone, Add To, or Change the Order of the Agenda

### **II. BUSINESS ITEMS**

Action Items:

- A. RVRA Waste and Leachate Hauling Contract Award
- B. Presentation of the Year End Audit Results for June 30, 2025

Information Items: None

### **III. CONSENT AGENDA**

Consent agenda items are routine and will be approved by a single resolution. If discussion is required, an item may be removed from the consent agenda and considered separately.

- A. Minutes of September 24, 2025

### **IV. REPORTS**

- A. September Financials
  - 1. Statement of Cash Balances
  - 2. Statement of Operations
  - 3. Reconciliation of Net Income to Cash Provided by Operations for Month of September 2025 (Cash Basis)
  - 4. Summary of Reserve Funds
  - 5. Summary of Cash Reserve Funds Transferred from Roanoke Valley Regional Solid Waste Management Board
  - 6. Cumulative Statement of Operations
  - 7. VRA2021A Bond Issuance
- B. Waste Tonnage Report
- C. FY24-25 Monthly Trailer Report
- D. Residential Waste Report
- E. Wood Waste Report
- F. Recycling Report
- G. Household Hazardous Waste Report
- H. Project Status Report

**V. PUBLIC QUESTIONS / COMMENTS RECEIVED - None**

**VI. CHIEF EXECUTIVE OFFICER REPORT**

**VII. BOARD MEMBER COMMENTS**

**VIII. ADJOURNMENT**

**ACTION ITEM**  
**ITEM# II.A**

**AT A REGULAR MEETING OF THE ROANOKE VALLEY RESOURCE AUTHORITY (RVRA):**

**MEETING DATE:** October 22, 2025

**AGENDA ITEM:** Award of RVRA Waste and Leachate Hauling Contract

**SUBMITTED BY:** Jonathan A. Lanford, Chief Executive Officer

**SUMMARY OF INFORMATION:**

This item was presented for information during the September meeting. As a reminder, RVRA solicited proposals for Waste and Leachate Hauling this summer, with a due date of August 26, 2025 at 2PM. A total of six (6) proposals were received. On September 4, 2025, RVRA staff met to discuss, review and decide upon highest and best offeror. Staff determined Thompson Trucking, our incumbent hauler for both services, was the highest and best offeror. On September 8, 2025, Thompson Trucking was issued a Notice of Intent to Award, contingent upon fulfillment of all contractual obligations and completion of all required approvals by RVRA Board of Directors.

Following is a summary of offers submitted in accordance with solicitation:

RFP - WASTE AND LEACHATE HAULING			
BIDDERS	STS → SG	TCTS → SG	SG → STS
CASH ENTERPRISES	\$370 - \$543	\$408 - \$576	\$1056
ILLUMINE	\$355 - \$378	\$397 - \$423	\$416
MOUNTAIN WASTE	\$340 - \$405	\$385 - \$454	\$452
MWS LOGISTICS	\$350 - \$390	\$370 - \$410	\$475
THOMPSON	\$265.63 - \$299.46	\$291.88 - \$325.76	\$304.24
WEBB'S	-----	-----	\$441.97

**\*\*first price listed is RVRA Owns Trailers; second price is Contractor Owned\*\***

As noted in the schedule above, Thompson provided the best value and certainly has the experience to provide quality hauling services for both needs.

Thompson has offered \$1.3MM cash for the purchase of 49 RVRA walking floor trailers.

In evaluating all costs associated in total, with the potential sale of trailers and utilizing a model where contractor owns all trailers, staff looked at bid pricing above and also compared current contracted per pull rate versus contractor owned trailer per pull rate in solicitation. Both models yield an overall annual savings to the Authority.

Comparison one, when simply looking at proposed pricing, there is a \$33.83 per pull delta. RVRA averages 12,600 pulls per year equaling \$426,258 more in operational costs. However, we spent \$255,308.22 in Fiscal 25 maintaining our fleet of trailers (this number will only inflate as costs increase and fleet ages). This leaves a true delta of \$170,949.78 or approximately the equivalent of cash needed to fund replacement of a single trailer annually.

Comparison two looks at our current per pull rate (Authority owned) with Thompson versus proposed per rate (Contractor owned). These per pull rates are different than what is shown in schedule above and base bid rate Thompson utilized during last solicitation as they include fuel surcharge adjustments based upon DOE weekly published Diesel Fuel costs. Currently, with fuel surcharge adjustment we pay Thompson \$335.53 per pull. Adjusted proposed price for contractor owned trailer per pull rate is \$355.08 or approximately \$20 more than we are currently paying. Multiplying that amount by 12,600 equals \$252,000 more per year in hauling cost but \$3,308.22 less than we spent on trailer maintenance last fiscal.

It is recommended that the Board authorize staff to formalize two separate contracts with Thompson Trucking, one for leachate and one for waste, to include sale of trailers. A resolution is attached for the Board's consideration.

## RESOLUTION OF THE ROANOKE VALLEY RESOURCE AUTHORITY

Adopted this 22<sup>nd</sup> day of October 2025

RA#2025-\_\_\_\_\_

### **A RESOLUTION AUTHORIZING TWO SEPARATE CONTRACTS FOR WASTE AND LEACHATE HAULING SERVICES FROM THOMPSON TRUCKING, UPON CERTAIN TERMS AND CONDITIONS.**

**BE IT RESOLVED** by the Roanoke Valley Resource Authority that the Chief Executive Officer is authorized to execute, in a form approved by General Counsel, appropriate documentation necessary for the contracting of **Waste and Leachate Hauling Services** from Thompson Trucking. Such procurement is to be in accordance with the terms of contracts approved by General Counsel and to conform as necessary to the Authority's purchasing requirements, including such additional terms and conditions as the Chief Executive Officer and General Counsel determine to be in the best interest of the Authority, all as more particularly set forth in the RFB bid submission dated August 26, 2025.

ATTEST: \_\_\_\_\_  
Lorie C. Bess  
RVRA Board Secretary

**AT A REGULAR MEETING OF THE ROANOKE VALLEY RESOURCE AUTHORITY:**

**MEETING DATE:** October 22, 2025

**AGENDA ITEM:** Presentation of Year End Results for June 30, 2025

**SUBMITTED BY:** Laurie Gearheart, CPA, Treasurer

**SUMMARY OF INFORMATION:**

The audit firm of Robinson, Farmer, Cox Associates completed their independent audit of the Roanoke Valley Resource Authority (RVRA) for the year ended June 30, 2025. The RVRA received a clean and unmodified opinion on the financials. The final "Annual Comprehensive Financial Report" is enclosed in the packet and will be reviewed at the meeting.

**FISCAL IMPACT:**

The operating fund ended the year with a net surplus to transfer of \$2,609,861.  
(Attachment A)

Total revenues were approximately \$19.1 million in fiscal year 2025.

- Tipping fees exceeded budget by approximately \$1.2 million, primarily due to a modest rate increase and higher overall tonnage collected.
- Miscellaneous revenue surpassed budget expectations by \$242,441, driven by the new contracted sale of landfill gas and the receipt of FEMA/VDEM reimbursements from Hurricane Helene.
- Total nonoperating revenues amounted to \$452,905, attributable solely to interest income, which exceeded budgeted projections by \$302,905.

Total expenditures and net transfers totaled approximately \$16.4 million.

- Personnel expenditures aligned closely with projected budget, ending with a variance of only 0.3% or \$11,684.
- Operating expenditures exceeded budget by \$695,660 primarily due to:
  - Increased cost of contracted repairs (approx. \$313,000)
  - Increased expense for the purchase of repair parts and tires (approx. \$300,540)

- The fiscal year 2025 budgeted transfer of \$1.7 million to the Future Site Development Reserve was not made prior to June 30, resulting in an addition to the surplus of \$1.7 million.
- VRA debt coverage ratio of 2.39 exceeded the 1.0 minimum requirement

**STAFF RECOMMENDATION:**

Staff recommends acceptance of the audit for the fiscal year ended June 30, 2025, and the transfer of net surplus funds in the amounts of \$580,000.00 to the Equipment Reserve Fund and \$2,029,861.49 to the Site Development Reserve Fund in the total amount of \$2,609,861.49.

RVRA Waste and Leachate Hauling Contract Award

RVRA solicited proposals for Waste and Leachate Hauling this summer, with a total of six (6) proposals received. RVRA staff met to discuss, review and decide upon highest and best offeror. Staff determined Thompson Trucking, our incumbent hauler for both services, was highest and best offeror. On September 8, 2025, Thompson Trucking was issued a Notice of Intent to Award, contingent upon fulfillment of all contractual obligations and completion of all required approvals by RVRA Board of Directors.

Following is a summary of offers submitted in accordance with solicitation:

RFP - WASTE AND LEACHATE HAULING			
BIDDERS	STS → SG	TCTS → SG	SG → STS
CASH ENTERPRISES	\$370 - \$543	\$408 - \$576	\$1056
ILLUMINE	\$355 - \$378	\$397 - \$423	\$416
MOUNTAIN WASTE	\$340 - \$405	\$385 - \$454	\$452
MWS LOGISTICS	\$350 - \$390	\$370 - \$410	\$475
THOMPSON	\$265.63 - \$299.46	\$291.88 - \$325.76	\$304.24
WEBB'S	-----	-----	\$441.97

\*\*first price listed is RVRA Owns Trailers; second price is Contractor Owned\*\*

As noted in schedule above, Thompson Trucking provided the best value and had the experience to provide quality hauling services for both needs.

Thompson Trucking offered \$1.3MM cash for the purchase of 49 RVRA walking floor trailers. Mr. Lanford noted that Thompson's pricing was the only one that offered a cash option to purchase trailers based off the trade-in value.

In evaluating all costs associated with the potential sale of trailers and utilizing a model where contractor owns all trailers, staff looked at bid pricing in schedule above and also compared current contracted per pull rate versus contractor owned trailer per pull rate in solicitation. Both models yield an overall annual savings to the Authority.

Comparison one, when simply looking at proposed pricing, there is a \$33.83 per pull delta. RVRA averages 12,600 pulls per year equaling \$426,258 more in operational costs. However, we spent \$255,308.22 in Fiscal 25 maintaining our fleet of trailers (this number will only inflate as costs increase and fleet ages). This leaves a true delta of \$170,949.78 or approximately the equivalent of cash needed to fund replacement of a single trailer annually.

Comparison two looks at our current per pull rate (Authority owned) with Thompson Trucking versus proposed per rate (Contractor owned). These per pull rates are different than what is shown in schedule above and base bid rate Thompson Trucking utilized during last solicitation as they include fuel surcharge adjustments based upon DOE weekly published Diesel Fuel costs. Currently, with fuel surcharge adjustment we pay Thompson Trucking \$335.53 per pull. Adjusted proposed price for contractor owned trailer per pull rate is \$355.08 or approximately \$20.00 more than we are currently paying. Multiplying that amount by 12,600 equals \$252,000 more per year in hauling costs but \$3,308.22 less than we spent on trailer maintenance last fiscal year.

Mr. Light questioned if there was a specific purpose in mind for the \$1.3MM. Mr. Lanford replied not at that time, but the Board would receive the audit in October to review roll over funds. He further noted it would likely go to site development, and definitely one of the reserve accounts.

Mr. McEvoy stated Thompson Trucking is very familiar with the operations. Mr. Lanford agreed and stated they already have all the assets and the fleet available, while other bidders would have upfront costs. Mr. Garrett added that Thompson Trucking also has good contracts with Alleghany County and GFL, and they have really made an effort in the hauling side of things.

Chair Owens asked if this would be a multiyear contract and if there would be caps on what they could increase. Mr. Lanford replied it would be the same 5-year contract that was previously in place and there is a specific waste industry CPI in the current contract.

RVRA staff presented this as information this month and in October will ask the Board to authorize staff to formalize two separate contracts with Thompson Trucking, one for leachate and one for waste, to include the sale of trailers.

### **CONSENT AGENDA**

A. Minutes of August 27, 2025 Meeting

MOTION: That the Board approve the consent agenda item, as presented.

MOTION: Mr. Bandy

SECOND: Mr. Simmons

AYES: Unanimous

RESOLUTION: RA2025-33

### **REPORTS**

#### **FINANCIAL REPORTS**

Mr. Brewer reviewed the following financial reports for month ending August 31, 2025 (attached)

1. Statement of Cash Balances
2. Statement of Operations
3. Reconciliation of Net Income to Cash Provided by Operations (Cash Basis)
4. Summary of Reserve Funds
5. Summary of Cash Reserve Funds Transferred from Roanoke Valley Regional Solid Waste Management Board
6. Cumulative Statement of Operations
7. VRA2021A Bond Issuance

#### **WASTE TONNAGE REPORT**

Mr. Lanford reviewed the Waste Tonnage report noting August did slow down a bit from July, but we are still doing well. He reported the Air Space report will be provided when we have accurate data to share as we are still working through some anomalies with the information. He commended the team at Smith Gap for doing a phenomenal job with the extra tonnages coming in.

The following monthly reports were provided to the Board as information:

- FY24-25 Monthly Trailer Report
- Residential Waste Report
- Woodwaste Report
- Recycling Report
- Household Hazardous Waste Report

**PROJECT STATUS REPORT** - None

**PUBLIC QUESTIONS AND COMMENTS** - None

#### **CHIEF EXECUTIVE OFFICER REPORT**

Mr. Lanford offered the following report:

- Recommend next calendar year we have our board meeting every other month instead of every month, to be respectful of everyone's time. We will build a schedule to accommodate the budget and will propose a draft schedule starting January 2026. The Board can call a meeting at any time, if necessary.
- Roanoke County shared with us their Surplus Policy to consider. The policy would allow administration to surplus items instead of waiting for a meeting to obtain approval from the Board.
- Shared some photos from the landfill. Everyone is doing a great job at keeping everything looking good and in top notch shape.
- Will bring a recommendation back for the Board's consideration to transfer some of the reserve funds.
- FEMA funding – Was notified at the end of last week that RVRA will receive additional reimbursements for damage to our tanks. Specifically, \$200,000 to do the remediation work of cleaning the tanks and recoating them.

#### **BOARD MEMBER COMMENTS**

Mr. Blount thanked Mr. Lanford and staff for the great photos of the landfill.

#### **ADJOURNMENT**

Hearing no further questions or comments, Chair Owens adjourned the meeting at 12:28 p.m.

Respectfully submitted,

---

Lorie C. Bess  
RVRA Board Secretary
